Table with 6 columns: ID #, Sample Description/Location, Date Sampled, Time Sampled, Analysis Requested, Comments. Includes handwritten entries for samples 1-4 and signature/printed name information at the bottom.

Gravity plate testing is a simple, inexpensive, basic screening method that allows you to test for mold yourself. Your medical professional may request this test to help determine if your environment may be affecting your health.

Results will be posted to your account at www.MoldTestResults.com. You will receive notification by email when your report is ready. Hard copy by fax or mail is \$5.00 extra. Allow 14 days to process and post reports.

I would like to take advantage of the free consultation (maximum 20 minutes) with your Consultant Pharmacist. I can be reached between 8:00 am and 5:00 pm at ( ) We suggest you make a list of any health and environmental questions prior to the scheduled call to ensure that all of your concerns are dealt with in an efficient manner.

PLEASE DO NOT ALLOW ACCESS TO MY RESULTS TO ANYONE BUT ME.
