COMMUNITY SPOTLIGHTS

COACH MAYS Bishop Volleyball Coach

This month, one of our spotlights are on a community member for the service and time he puts in to help shape the kids of Lawton. Coach Mays is the Phys Ed Coordinator for Bishop Elementary. He is a great coach and man on many levels.

Parks and Rec wants to extend a gracious thank you and appreciation for all his hard work he does for our community and youth.

KRISTA RATLIFF Chamber Of Commerce

Our other spotlight is also a community member and happens to be the President and CEO of the Chamber of Commerce. Her continuous work for this community and for Holiday in the Park shined through on November 20th at the kickoff of Holiday in the Park. With Frost Ya Fanny, the Parade of Lights and all that Holiday in the Park has to offer Lawtonians, she truly has made a delightful and illuminous mark on this community.

PARKS & RECREATION ACTIVITIES

This bootcamp class involves body toning and sculpting, weight training, aerobics and body weight circuits for older adults and occurs every Tuesday and Thursday.

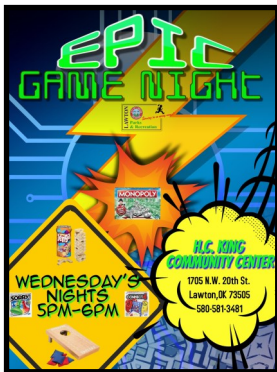

The adult ceramics class is a reoccurring class every Monday, Wednesday and Friday from 9-10 a.m. Learn how to do ceramics. Canvas painting and diamond dotting will also be introduced.

Active Kids consists of circuit training for ages 12-18. Circuit training is highly beneficial as it involves multiple exercises on different parts of the body at the same time. This class helps all teenagers playing any sport by increasing speed, agility, flexibility, power and endurance.

"Talk to Me in Español" is a class from ages 10 to adult. This class will help in comprehension and improve the ability to conduct conversations in Spanish.

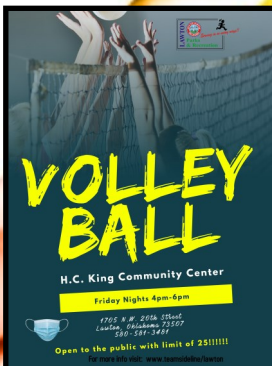

Join us for a night of family fun! Let's see if you have what it takes to win. Come out on Wednesdays from 5:00 pm - 6:00 pm.

Imagination Station is a children's reading program. Bring your own bean bag, blanket or whatever makes you comfortable and escape into your book.

Pilates is a form of exercise which concentrates on strengthening the body with an emphasis on core strength. This helps to improve general fitness and overall well-being. This class will only focus on beginner movements.

This is open gym volleyball available to all ages. Teaches us sportsmanship, teamwork, and working with people from different walks of life.
