SINGLE DAY VOLUNTEER FORM

(For Short-Term Volunteers)

Thank you for your valuable time in assisting our staff with the daily care and needs of the animals within the Lawton Animal Shelter. We are here to ensure a great quality of life for the animals in our care while here at Lawton Animal Welfare. Your decision to join our team of dedicated volunteers is a testament to your compassion and commitment to animal welfare.

The tasks you take on while here allows our Kennel Staff to focus on the individual needs of the animals, work with the rescue organizations to place the animals, assist owners looking for their lost pets, and assist new owners with finding that special animal that will become part of their family.

Lawton Animal Welfare's Volunteer Coordinator, or the Kennel Supervisor, will be assigning you specific tasks to accomplish in the short time you have made available to us.

If you are interested in volunteering on a regular basis please let one of them know.
