

CITY OF LAWTON APPLICATION

OPEN RV SITE AT SCHOOL HOUSE SLOUGH

(Please print legibly – if we can't read it, the application will not be considered)

Applicant Name: _____

Address: _____

City/State: _____

Contact Phone Number(s): _____

By submitting this application, I am agreeing to the following terms and conditions as outlined below and as set forth in City of Lawton Council Policy 9-03.

Camping spaces that are available for lease under the City's management are non-transferable. All tenants who enter into a lease agreement for these camping spaces understand that they are not allowed to sell, convey, or sublet the use of said leased camping space(s).

In the event a tenant chooses to terminate the lease for their rented camping space, the tenant must remove their camper/RV and all personal property from said space within fifteen (15) calendar days.

This application shall serve as my official proposal(s) for securing limited access to the listed RV location(s) herein located in Lake Lawtonka's School House Slough Recreation Area. **Application process will start April 3rd and run two (2) weeks through April 17th. To be considered, bids MUST be received no later than 5:00pm on April 17th at the CITY CLERK'S OFFICE IN CITY HALL AT 212 SW 9TH STREET to be considered.**

I understand that in addition to the annual lease payment required to rent said RV space(s), my proposal includes a one-time bid amount that I am willing to pay for the opportunity to secure limited access for said space(s) as indicated below.

Additionally, I understand that if my proposal is selected, I will have five (5) business days to submit payment and execute a lease consistent with the rates set forth in Article A-19-5 of the City of Lawton Schedule of Fees and Charges; AND that should I fail to execute a lease within the specified five (5) business days, I understand the next best proposal will be selected.

Applicant Initials

You may bid on multiple sites if available. If bidding on more than one (1) RV Site, please prioritize the order of which site you would most prefer. Applicants are not limited to one space should their proposal(s) be selected as the best proposal.
