NOTE: To qualify as having responded, a vendor must submit a "NO PROPOSAL SUBMITTED," and it must be received no later than the stated proposal opening date and hour.
3. **OBJECTIONS/CHALLENGES:** should a vendor have an objection to or challenge the request, the vendor is responsible for making this known in writing so as to reach the City Clerk no later than seven (7) calendar days prior to the deadline for submission of proposals. The envelope shall be marked in such a way to alert the City Clerk of the urgency in order to immediately notify the Purchasing Division. The envelope will be marked indicating that the content is a challenge to a specified Request for Proposal. time of proposal opening. Proposals become the property of the City and are subject to the provisions of the Oklahoma Open Records Act.

5. **WITHDRAWAL OF PROPOSAL:** Proposals may be withdrawn at any time prior to the proposal opening date and time. After proposals are opened, all proposals will be considered firm and valid until accepted or rejected by the City.

 - a. As the best interest of the City may require, the right is reserved to:
 1. Accept any individual item, group of items, all or none, or a combination thereof contained within a proposal.
 2. To modify a suggested project, based upon proposals received.
 3. To reject any and all proposals or waive any minor irregularity or technicality in proposals received.
 - b. Vendors are cautioned to make no assumptions regarding their success on the awarding of any contract. The City reserves the right to excerpt portions of proposals and recombine them in any combination, which may then be submitted to prospective vendors as an Invitation for Bid.
7. **ACCEPTANCE OF PROPOSAL:** This document constitutes only the vendor's proposal until it is accepted by the City Council for the City of Lawton and a contract is executed by the Mayor and City Clerk on behalf of the City of Lawton.
8. **WAIVER:** The City of Lawton reserves the right to waive any General Provisions, Special Provision(s), or minor project guideline deviation(s) when considered to be in the best interest of the City.
9. **CHANGES TO PROJECT GUIDELINES:** Proposals are to be submitted in accordance with the project guidelines provided. Any exceptions to the project guidelines must be indicated in the place provided on the specifications page(s) or by separate letter from the vendor, if place is not provided on the specifications page(s). Changes in project guidelines reducing the quality, versatility or applicability of the product or service may cause the rejection of the proposal. The City shall make the final determination. Failure to put the City on notice of any deviation from the project guidelines may cause the proposal to be rejected at the discretion of the City.
10. **MISTAKES:** Vendors are expected to examine the project guidelines, delivery schedule, proposal prices and all instructions pertaining to supplies and services. Failure to do so will be at vendor's risk. In all cases, the UNIT PRICE WILL GOVERN.
11. **INFORMATION:** The vendor must provide information pertinent to items proposed. Complete catalogs are not necessary. If furnished, however, the vendor must identify the exact location in the catalog and circle or identify clearly the item being proposed.
12. **MANUFACTURERS' NAMES AND APPROVED EQUIVALENTS:** Any manufacturers' names, trade name brand names, information and/or catalog numbers listed in project guidelines are for information and are not intended to limit competition. The vendor may offer any brand, which meets or exceeds the specification(s) for any item(s). If proposals are based on equivalent products, indicate on the proposal form the manufacturers' name and model number. Vendor

shall submit with his proposal sketches, descriptive literature and/or complete specifications. References to literature submitted with a previous proposal will not satisfy this provision. The vendor shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and should not be considered an exception thereto. Proposals which do not comply with these requirements are subject to rejection. Proposals lacking any written indication of intent to quote an alternate brand will be received and considered to be in complete compliance with the specifications as listed on the proposal form.

13. **SAMPLES:** Samples of items, when called for, must be furnished free of charge and at no expense to the City. Each individual sample must be labeled with vendor's name, manufacturer's brand name and number, contract number and item reference, or as specified in the attached special conditions. Samples will not be returned.
14. **TESTING:** When testing is required to determine if a sample meets project guidelines and it is determined that the product fails to meet specifications, the cost of testing shall be borne by the vendor. If the sample satisfies the project guidelines, the cost of testing shall be borne by the City.
15. **NON-CONFORMANCE TO PROJECT GUIDELINES:** Items may be tested for compliance with project guidelines by appropriate testing laboratories or by the City. 17. **INSPECTION, ACCEPTANCE and TITLE:** Inspection and acceptance will be at destination unless otherwise provided. "Destination" shall mean delivered to the receiving dock, department stockroom, or other point specified. The City accepts no responsibility for goods until accepted at the receiving point in good condition. Title and risk of loss or damage to all items shall be the responsibility of the vendor until accepted by the ordering agency. The vendor shall be responsible for filing, processing and collecting all damage claims. However, to assist him in the expeditious handling of damage claims, the ordering department will:
 - a. Record any evidence of visible damage on all copies of the delivering carrier's Bill of Landing.
 - b. Report damage (whether visible or concealed) to the carrier and vendor, confirming such reports, in writing, within fifteen (15) days of delivery, requesting that the carrier inspect the damaged merchandise.
 - c. Retain the item and its shipping container, including inner packaging material, until inspection is performed by the carrier and disposition given by the vendor, or for a reasonable time after notification to the vendor, whichever comes first.
 - d. Provide the vendor with a copy of the carrier's Bill of Landing and damage inspection report.
18. **SAFETY STANDARDS:** Unless otherwise stipulated in the proposal, all manufactured items or fabricated assemblies shall comply with applicable requirements of the Occupational Safety and Health Act and any standards

19. **SERVICE AND WARRANTY:** Unless otherwise specified, the vendor shall define any warranty service and replacements that will be provided during and subsequent to this contract. Vendors must explain on an attached sheet to what extent warranty and service facilities are provided. Unless otherwise indicated in this agreement, upon entry into any contract with the City, vendor expressly warrants that all articles, materials, supplies, equipment, and/or services covered in this contract will conform to the project guidelines attached hereto and made a part of any proposal submitted or contract awarded; vendor further warrants that same shall be of good material and workmanship and free from defects.
20. **REMEDIES:** Failure to make delivery or to meet project guidelines authorized the City to seek replacement goods or services elsewhere and to seek legal and equitable remedies against the defaulting vendor. If any of the goods and/or work performed fail to meet the warranties contained herein or in any proposal submitted, vendor, upon notice thereof from the City, shall promptly correct or replace the same at vendor's expense. If vendor shall fail so to do, the City may cancel any agreement entered in whole or in part and pursue all other remedies available. After notice to the vendor, all such goods will be held at vendor's risk. The City may, and at vendor's direction shall, return such goods to vendor at vendor's risk, and all transportation charges, both to and from original destination, shall be paid by vendor. Any payment for such goods shall be refunded by vendor unless vendor promptly corrects or replaces the same at its expense.
21. **AUTHORIZED USERS:** Proposals shall cover requirements during the specified period for all Municipal Departments, Boards, Commissions, Agencies, and Institutions.
22. **LIABILITY:** The vendor shall hold and save the City of Lawton, its Departments, Boards, Commissions, Agencies, Institutions and all employees of the aforementioned harmless against the claims by third parties resulting from the vendor's breach of any agreement entered or the vendor's negligence.
23. **PRICES AND TERMS:** Unless otherwise provided in the project guidelines, firm fixed prices shall be submitted F.O.B. Lawton at the indicated Department's address and shall include packing, handling and shipping charges fully prepaid by the vendor. Proposal prices shall be valid for a minimum of sixty (60) days from the date of proposal opening, and shall thereafter remain firm for the life of any contract awarded by the City to a vendor.
24. **ACCEPTANCE OF PURCHASE ORDERS:** Vendors are to accept only those purchase orders issued by the City of Lawton, its Departments, Boards, Commissions, Agencies, Institutions and all employees of the aforementioned, prepared on Accounting Division Forms, unless instructed otherwise in the Request for Proposal or executed contract agreement.
25. **PRICE ADJUSTMENTS:** Manufacturer's price increases, or other increases in the cost of doing business, MAY NOT be passed on to the City of Lawton, its Departments, Boards, Commissions, Agencies, and Institutions, nor may the vendor withdraw or cancel the proposal, or any resulting agreement, or any part of the proposal or agreement for these reasons. Vendors may only cancel the proposal or resulting agreement pursuant to the cancellation clause, if one is included as a part of the Request for Proposal, and then only if the contractual obligation has been fulfilled by the vendor in accordance with the terms stated. Proposals which reflect

that the price of an item is based upon "market price" or is "subject to increase" based upon some event, or which otherwise indicate that prices reflected are infirm or subject to change, will be deemed non-conforming unless the proposal specifications specifically provide for price escalation. If price variations are allowed, they must be tied to a readily identifiable index which is free from control or influence by the vendor.

26. **SUMMARY OF TOTAL SALES:** If any agreement is entered into as the result of the acceptance of a Request for Proposal or any proposal submitted, the vendor agrees to furnish City of Lawton a summary of sales, including total dollar amount, made under the contract at the end of each quarter, or as stipulated in the attached project guidelines.

Invoices shall contain the project number and purchase order number. Failure to follow these instructions may result in delay of processing invoices for payment. The Company or Corporation submitting the Request for Proposal shall be the only office authorized to receive orders, do the billing and invoicing and receive payment. If the vendor wishes to ship or service from a point other than the home office, he will furnish a written list of these locations to the City. **HOWEVER, NO ORDERS WILL BE PRESENTD TO, BILLING WILL NOT BE DONE FROM, NOR WILL PAYMENT BE MADE TO THESE LOCATIONS.**

b. **REQUIREMENTS ONLY PURCHASES:** Any contract resulting from the submission of a Request for Proposal shall be for the quantities actually ordered during the life of the agreement only. Billing shall be made in accordance with instructions by the Department or Division issuing the purchase order, and only for quantities actually ordered and delivered. The City reserves the right to purchase none of the product or more than the quantity indicated in the proposal.

c. **TAXES:** Purchases by the City of Lawton are not subject to any Sales Tax or Federal Excise Tax. Exemption Certificates will be furnished upon request.

d. **DISCOUNTS:** Vendors may offer a cash discount for prompt payment; however, such discounts shall not be considered in determining the lowest net cost for proposal evaluation purposes. Vendors are encouraged to reflect cash discounts in the unit prices quoted. Discount time will be computed from the date of satisfactory delivery at place of acceptance or from receipt of correct invoice at the office specified, whichever is later.

e. All provisions of the Uniform Commercial Code shall be adhered to.

28. **EXTENSION:** At the end of the contract period for any contract awarded, or upon the conclusion of a maximum of one (1) extension thereof, the contract may be extended for a period not to exceed twelve (12) months at the same price and conditions as in the original contract, by mutual agreement between the City and the vendor. The extended contract shall, upon the signing by both parties, become a binding agreement and shall remain in force and effect until terminated by either party, provided that either party to the contract shall have the option to terminate said

extended contract upon thirty days' prior written notice of termination by one party to the other.

29. **CONFLICT OF INTEREST:** The Request for Proposal hereunder is subject to the provisions of City of Lawton Charter and City Code and the laws of the State of Oklahoma. 30. **PATENTS AND ROYALTIES:** The vendor, without exception, shall indemnify and save harmless the City of Lawton, its Departments, Boards, Commissions, Agencies, Institutions and all employees of the aforementioned from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of any contract resulting from the submission of this Request for Proposal, including its use by the City of Lawton. If the vendor uses any design, device or materials covered by letters, patent copyright, it is mutually agreed and understood without exception that the proposal prices shall include all royalties or cost rising from the use of such design, device, or materials in any way involved in the work.
31. **FACILITIES:** The City reserves the right to inspect the vendor's facilities at any time with reasonable prior notice.
32. **BANKRUPTCY:** If the vendor becomes bankrupt or insolvent, or if a petition in bankruptcy is filed against the vendor, or if a receiver is appointed for the vendor, the City shall have the right to terminate any agreement resulting from the submission of this Request for Proposal upon written notice to the vendor without prejudice to any claim for damages or any other right of the City under any agreement resulting from the submission of this Request for Proposal to the time of such termination.

This policy or policies shall hold harmless and indemnify the City of Lawton, its Departments, Boards, Commissions, Agencies, Institutions and all employees of the aforementioned. A current certificate, submitted as a part of the proposal and showing that the vendor has in force and effect such insurance, shall be maintained on file with the City Clerk of the City.
 - b. **Automobile Liability:** The vendor shall procure and maintain in full force and effect, for the term of the project, vehicle liability coverage in the

amounts specified in subparagraph A of this section. In addition, the vendor shall have, during the term of the project, vehicle liability coverage as outlined in the attached project guidelines. If higher coverage is required by any regulatory entity with oversight of the vendor's business, the City Code, or other authority, then proof of the higher coverage must be provided. This policy or policies shall hold harmless and indemnify the City of Lawton, its Departments, Boards, Commissions, Agencies, Institutions, and all employees of the aforementioned. This amount will be retained by the City as damages in the event the successful vendor fails to comply with the terms of any agreement entered into as a result of this Request for Proposal, but shall in no way pursue any and all other remedies available either in equity or at law. All deposits and bonds will be returned to the unsuccessful vendors within a reasonable time after the acceptance of a proposal, and to the successful vendor upon full performance of the contract. Bonds or funds deposited do not accrue interest while held.
 - b. **Performance Bonds:** If a Performance Bond is required under the project guidelines, the successful vendor must, prior to the entry into any agreement, post the bond, certified check or cashier's check in the amount stated and made payable to the City of Lawton. The Bidder's Bond posted will be returned to the successful vendor upon posting of the Performance Bond and completion of any additional requirements for execution of any agreement by the vendor. The Performance Bond will be released or returned to the vendor, as appropriate after satisfactory completion of the contract and the performance period as stated in the project guidelines attached or any amendments thereto.
36. **TIME OF ESSENCE:** Unless otherwise stated, time shall be considered of the essence to this agreement.

However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABL accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.
