ADVENTURE — BEGINS AT — YOUR LIBRARY.™

What is the Summer Reading Program?

Libraries nationwide offer Summer Reading Programs (SRP) every summer with the goal of reducing the “Summer Slide”, the tendency for students to lose some of the learning they achieved throughout the school year. Our goal is to get kids, teens, & adults reading all summer long. During the SRP, the Library offers fun, fantastic, & **FREE** events all summer long for all ages!

This project was made possible in part by the Institute of Museum and Library Services, administered by the Oklahoma Department of Libraries.
