RECONSIDERATION OF LIBRARY MATERIALS POLICY

The Lawton Public Library follows the Collection Development and Maintenance Policy for adding and maintaining materials in the collection. Adhering to the American Library Association Bill of Rights and the American Library Association Freedom to Read Statement, the Lawton Public Library believes censorship to be an individual matter.

For a reconsideration request to be considered, a Request for Reconsideration of Materials Form (available from the Library Director) must be completed in full by a citizen of Comanche County.

The Library Board will review the request at a library board meeting and the board's decision will be final. Any reviewed title will only be reviewed once every three (3) years.
