The Honorable Mayor and City Council Members
City of Lawton
212 SW 9th Street
Lawton, OK 73505

Dear Mayor Booker and Council Members:

It is my privilege and responsibility to present the proposed Fiscal Year Ending 2023 (July 1, 2022 to June 30, 2023) budget for consideration and approval for the operating and capital improvement budgets. The annual budget executive message will serve as a comprehensive summary to the proposed FY 2023 Municipal Spending Plan.

The adoption of an annual budget is required by Oklahoma State Statute (Title 11, Oklahoma Statutes, Section 17-205) and best business practices. An annual budget must be adopted by the City Council at least seven days before the beginning of the new fiscal year, certified by the Comanche County Excise Board before the start of the fiscal year (July 1) and transmitted to the State Auditor and Inspector within 30 days of the start of the fiscal year. We encourage our citizens to explore their City's budget document, which contains interesting and vital information on all aspects of the City's operation as well as information of general interest on Lawton.

The FYE 2023 budget was prepared and presented during a period of unprecedented turmoil in the World, United States, and Lawton, Oklahoma. In the last 12 months, our city experienced:

- The invasion of the Ukraine by Russia.
- An unprecedented increase in the cost of goods such as pipe, fuel, and chemicals.
- The increase of employee wages mid-year.
- Highest inflation rate since the 1980's.

From a financial or budgetary standpoint, the City's finances and budget have been remarkably resilient through these times and the Department Heads who manage these budgets should be commended because that does not happen without a team who is working together toward a common goal.

Despite tremendous volatility, the City's General Fund has maintained a stable position and is projected to maintain the current level through the end of FYE 2023. This is a great credit to the leadership of the Mayor and Council, the professionalism, ingenuity and dedication of our City staff, and the underlying health and resilience of our local economy. There is still uncertainty related to rates, revenues, and core expenses, but it is anticipated that the City's expenses will be manageable.

The fiscal year 2022 – 2023 budget maintains basic City services and expands services in some targeted areas of priority. Several major capital improvement programs, financed by the City of Lawton PROPEL 2019 Sales Tax and voter-approved General Obligation Bond projects, are ongoing for transportation system improvements (i.e., road resurfacing and reconstruction). These capital projects are themselves having a “stimulative” effect on our local economy. Federal assistance, particularly through the Coronavirus Aid, Relief and Economic Recovery (CARES) Act of 2020 and the American Rescue Plan Act (ARPA) of 2021 has benefitted the City of Lawton in millions of dollars. These funds have been used to pay for one-time purchases of much needed equipment as well as support our General Fund balances and programs. The ARPA funds have been slated to support many of the city services and infrastructure needs as defined by the City Council.

The total adopted budget for all City of Lawton funds for fiscal year ending 2022 is \$528,924,102 and for FYE 2023, the total proposed budget is \$222,538,224. The primary reason for this budget decrease is in the prior year the City budgeted for 2019 CIP projects over the life of the CIP; this year the only portion which is budgeted is what is anticipated to be contracted or completed this year. Future years revenues have not yet been realized, nor have the expenditures been contracted.

STRATEGIC PLANNING

During January 2021, the City of Lawton retained the services of Garver Engineering to develop a multi-year planning tool for Capital Improvement Projects (CIP). This management program is a critical element of the City’s CIP to make sure that taxpayer dollars are being spent appropriately. One of the problems being addressed was/is the issue of transparency. The City needed to communicate how the money was being spent to the community. This is a critical component because the citizens need assurance that their tax dollars were being spent in accordance to the election question and campaign. In 2019, Lawton embarked on a large sales tax campaign to fund many capital improvement projects. The PROPEL 2019 initiative funded future projects and consolidated existing projects for a total cost of projects of \$348,004,949.

The bottom line of the development of this tool was Lawton did not have a formal CIP process that was capable of tracking and preparing a plan to spend this revenue. City Council wanted a nonbiased justifiable process, thus ensuring citizens have supportable responses to their answers. This tool implemented through a body of management practices that (1) applies to the entire portfolio of infrastructure assets at all levels of the organization, (2) targets the acceptable level of risk to the organization, (3) works within an environment of limited resources, (4) seeks to minimize total costs of acquiring operating, maintaining, and renewing assets, and (5) delivers service levels customers desire and regulators require.

This capital management program evaluates the needs of the City of Lawton, the funds available, the likelihood of asset failure and the consequences to the city if the asset fails. The capital management programs allow staff to concentrate on the assets that were high in both the likelihood of failure and the consequences of failure to ensure the highest needs were addressed first to reduce or eliminate the consequences if the asset failed. The goals the City had when implementing this program were it had to be (1) standardized across all departments, (2) build on the City’s existing GIS, (3) interface with Tyler Technology, (4) be managed internally, and (5) allow public and city leaders to review project progress. The final goal of this project is that it would provide a legacy system that survives staff, council and management once implemented.

The first year of the new CIP Portal is being implemented with budget year 2023. Using this program, the city has identified approximately \$262,882,481 worth of projects that will be started during FYE 2023. These projects cover a broad range of areas to include; bridge reconstruction, sidewalk reconstruction, City Hall and McMahon Memorial Auditorium Renovation, extending Goodyear Boulevard to US-62, pavement assessments for streets, Lee Boulevard and 97th Street Rehabilitation, Water Scada System improvements, Water Meter Replacement, Wastewater Treatment Plant Improvements, Alternative Water Source Projects, the rehabilitation of Lake Ellsworth Dam Spillway and sewer rehabilitation.

These projects will be funded in multiple ways via loans, grants, and PROPEL 2019 Sales Tax funding used to complete these projects.

LAWTON SALES TAX TRENDS

There have been ongoing discussions about the health of our city’s sales tax-driven revenue base and the challenges that presents. Sales tax is not only the major source of revenue for the City’s largest operational fund, i.e., the General Fund; sales tax is the primary source of revenue related to public safety initiatives, quality of life projects, public transportation, and earmarked capital programs, PROPEL 2019 initiative approved by our voters in 2015, 2016, and again in 2019. ***The city is dependent on sales tax revenue to fund 93% of its general purpose (non-utility fee based) operational and capital programs and is becoming more dependent.***

Sales tax, by nature, is very volatile and is made more so by recent marketplace trends toward service-based purchases and on-line purchases of retail goods. We continue to support judicial and legislative actions to better enforce existing sales and use tax statutes and ordinances to broaden the sales tax base; to concentrate the allocation of available sales and use tax revenues on core, general purpose operational and capital services; and to diversify our revenue base. The ability of the City of Lawton to continue to provide the level of services that our citizens demand and deserve will depend in large part on the success of these initiatives.

As consumer spending patterns change to more service-based and remote (on-line) purchases, municipalities have had some success in gaining compliance with laws and regulations that enable taxes to be collected on remote purchases in the form of increased “use tax” collections. Use taxes are basically sales taxes applied to purchase of goods from out-of-state vendors for use within the City where the goods are delivered.

It is encouraging that a healthy growth pattern in Lawton’s sales tax revenues seems to be reflected as Lawton emerges from the “Pandemic Period”, but the volatility in monthly remittance indicates extreme caution and prudence should be followed going forward.

The City must continue to work on the revenue initiatives discussed below as we move into the future:

- Support judicial and legislative actions to better enforce existing sales and use tax statutes and ordinances.
- Broaden the sales tax base by supporting state legislation to reduce the number of sales tax exemptions, particularly in targeted service areas.
- Promote the use of existing and proposed future sales and use tax rate measures on core, general purpose operational and capital services.
- Diversify our revenue base into new areas and sources.

The City’s sales tax revenue projections for fiscal year 2022-2023 are based on a growth pattern of four percent (4%). This projection is based on recent growth patterns, inflation patterns and recent volatility in monthly collections.

MAJOR GENERAL FUND REVENUE SOURCES, Fiscal Year 2022-2023

Sales Tax – As of May 2022 overall City sales tax collections for FYE 2022 has grown by 10.55% above prior-year levels. This growth has been driven by 3rd quarter and early 4th quarter collections.

In FYE 2023, City sales tax collections are projected to grow at a rate of 4% from FYE 2022 projected levels. In the longer term the combined impact of sales tax will be closely monitored.

Use Tax – This tax is similar to sales tax collected on purchases of goods outside of the City for use within the City. Staff will continue to emphasize the monitoring of use tax collections going forward, as out-of-state purchases of goods for use in Lawton, such as internet purchases and purchases of construction materials for the local home building industry should be captured in use tax collections. *FYE 2023 use tax is projected to grow at four percent (4%).*

Enforcement of the requirement for out-of-state vendors to collect sales/use tax for their sales in Oklahoma is still difficult. **The ongoing concern for proper payment of sales and use taxes by out-of-state vendors is a Federal (interstate commerce) issue**, about which the City of Lawton will continue to partner with other cities and agencies to gain wider compliance (Federal legislation, such as the Remote Transactions Parity Act or the Marketplace Fairness Act have been proposed, but not enacted).

Franchise & Ordinance Tax – These are payments made by private utility companies (CenterPoint Energy, AEP/PSO, etc.) to the City of Lawton General Fund for their use of the public rights-of-way. Franchise payments are directly tied to utility revenues, which are heavily influenced by seasonal weather patterns (like the direct impact of weather on Lawton Water Utility revenues). **Franchise Fee revenues are project to be one percent (1%) above the FYE 2022 estimated revenues.**

Licenses and Permits – These are payments made for obtaining trade, food, or liquor licenses to do business in Lawton and for obtaining permits to build or alter structures in Lawton. Permit volume and revenues are an important proxy for the vitality of the local home building industry, which in turn has impact on sales and use tax growth rates, and a direct and significant impact on revenues from new development. **License and Permit revenues are projected to be above FYE 2022 estimates by fifteen percent (15%).** Staff will continue to monitor these trends, as the homebuilding industry can act as an indicator of the health of the overall local economy and sales tax base.

Fines and Forfeitures – This revenue category is for citation payments for municipal offenses. **Fine and Forfeitures revenue for FYE 2023 are only slightly above FYE 2022. The FYE 2023 budget includes a two percent (2%) increase in the category.**

Other Income – The revenue category accounts for items such as interest income, loan proceeds, miscellaneous revenue, miscellaneous fees, and sale of property. This is a hard category to predict because there are so many variables, but they don't have a huge impact to the budget. **Miscellaneous revenues for FE 2023 are expected to decrease by twenty percent (20%).**

GENERAL FUND RESERVE LEVELS

The City of Lawton, in keeping with State law and standards of financial prudence, seeks to maintain adequate levels of fund balance to meet emergency expenditure demands, unexpected claims for worker's compensation, tort claims, or unexpected purchasing needs. Fund balance can only be appropriated for expenditure by an act of the City Council, and the adoption of the budget appropriates projected funds for expenditure in the upcoming fiscal year, less funds that are held in fund balance. The City of Lawton management and staff have adopted Governmental Finance Officers Association (GFOA) standards for maintaining fund balance. This standard is to maintain 10% to 30% of operating revenues in reserve. As of the most recent audit, FYE 2020, the city maintained a 15% fund balance. ***Fund balance percentages are expected to be 23% for FYE 2021. This is a 7% increase from FYE 2020 and is attributed to a \$7 million dollar increase in fund balance. This increase is due to unspent ARPA Funds which are now being held in reserve. The fund balance for the General Fund is expected to remain relatively flat for the FYE 2023.***

UTILITY ENTERPRISE FUNDS

The City of Lawton operates two utility enterprises: the Lawton Water Authority and the Lawton Enterprise Fund. Enterprise funds are established to account for the operations of the City that endeavor to operate like private businesses, in that their services are provided to a discrete base of customers at a level that seeks to recover the full costs of providing the services. The budgetary status of the Enterprise Fund and the Lawton Water Authority are driven in large part by major capital projects.

These funds account for \$60,979,981 of the City's overall revenue budget. The projects which will be started during FYE 2023 are as follows.

The Phase III Sewer Rehabilitation Program: The total cost of Phase III is estimated to be \$48,000,000. The boring part of this project is completed as is the sub-basin work just south of Rogers Lane and the south Wolf Creek #4 sewer line. The parts of the project which are incomplete are the #2 sewer line on North Wolf Creek west of 38th Street, the #5 and #6 lines on South Wolf Creek and the Sub-basin north of Gore.

Alternative Water Source Feasibility Study: The total estimated cost of this project will be \$52,000,000 and will include the preliminary and final design of three groundwater wells, the preliminary and final design of conveyance piping system, a pilot study for treatment alternatives, and the preliminary and final design of a treatment facility as SEWTP. Council has awarded a contract to Garver, LLC and the feasibility report is completed. A groundwater supply well was awarded and completed, the groundwater supply treatment pilot project has been awarded and completed and three additional test holes were drilled but all have been non-productive sites. This project has an \$8,400,000 ODFA Grant attached to it.

Lake Ellsworth Dam Spillway Rehabilitation Project: The construction of this project is estimated to cost \$21,000,000 and was designed, and has been completed, by CH2M Hill Engineers for a cost of \$521,000. The City of Lawton has received the preliminary report on this project and the earthquake hazard analysis is complete. Additional work for the preparation of a geotechnical study for the OGEE, training wall and final design are also complete. City Council has accepted a \$551,996 grant from the

hazard Mitigation Grant Program for Hydraulic Damage Frequency Assessment and permits have been issued for construction from both OWRB and FEMA.

Interim WWTP Improvement Project: This project was awarded to Wynn Construction on June 8, 2021 for a total construction cost of \$5,093,900. The Notice to Proceed (NTP) was issued on June 3, 2021. This project addresses immediate needs which were identified in the WWTP Condition Assessment and Engineering Report, i.e., Primary Clarifiers, Primary Sludge Pump Stations, RAS Pump Station and Final Filters. The completion of this project is expected to be August 2022 due to delays in equipment delivery.

WWTP Improvements Project – Phase I: City Council award the design of this project to Garver, LLC on June 22, 2021 for a total design cost of \$6,696,450. This project designs Phase I of 3 phases which were identified in the WWTP Condition Assessment and Engineering Report. 60% design documents have been received as of March 25, 2022. The estimated cost of construction for Phase I is \$61,000,000.

Cache Road Waterline Replacement: The design portion of this project was awarded to Jacobs Engineering on November 16, 2021, with a cost of design of \$1,396,799. 30% of the design documents were received by the City on April 27, 2022. This project has an estimated construction cost of \$25,000,000.

Other Water Projects: Other water projects include a Granulated activated carbon project which is estimated to cost \$600,000, a new Supervisory Control And Data Activation System (SCADA) for the water system which is estimated to cost \$4,000,000, and a Water Meter Replacement Project which is expected to cost \$5,000,000.

It is obvious by the total budget amount versus the individual cost of each project all of these projects are not going to be completed during the FYE 2023 and most if not all of them have different if not multiple funding sources other than water revenues. The city will be finishing projects during FYE 2023 that were started in FYE 2022, then starting other projects which will be completed in future years.

FISCAL YEAR 2022-2023 OPERATIONAL BUDGET PREPARATION

FYE 2023 Budget Preparation

The City of Lawton runs a very efficient operation, but the cost of providing these services have historically grown at a faster rate than the revenue sources to pay for them. The FYE 2023 expenditures are not projected to exceed revenues, which is consistent with previous years. Even though the city has made great strides over the last two years to encourage and enhance employment opportunities, *there continue to be critical areas in which services and personnel are below desirable levels.* Over the past year the city has operated with a shortage of 100 full time equivalent positions. Whereas the mission is being completed there is a cost in increased overtime, employee morale and burnout.

The fiscal year 2022 – 2023 does not take any personnel away, staff is requested to continue evaluating the need for positions as they become vacant. Management continues to evaluate ways to enhance pay and benefits to all employees as they are the City of Lawton’s most valuable asset. The personnel expenses have increase 11.23% over the current year actual expenditures to \$69,859,559.

Materials and supplies are budgeted at a very modest \$21,608,023 and these expenditures make up 17.85% of the anticipated expenditures. This is a \$4,491,585, or 26.24% increase over the FYE 2022 estimates. Three of the areas which have driven this area up are fuel purchases, chemicals, and maintenance. The increases in these line items alone add up to \$6,161,052 worth of increases. These three areas are also out of staff's control when it comes to managing the budget. The city has to have these items to accomplish our mission.

Other Services and Charges constitute 16.51% of the annual budget at \$19,976,905. This is an increase of FYE 2022 expected expenditures of \$3,262,495 or 19.5%. The bulk of the increases in this category are in the area of Professional and Technical Services, which increased by \$2,091,606. These services include outside attorney fees, engineering costs for projects, and outside consultant fees to help with issues such as grants and lobbying for favorable legislature. Other items accounted for in this category are utility costs, insurance, dues and memberships, and training and travel.

Both of these areas are highlighted because the expenditures which are accounted for in this area are out of the control of city staff. Fuel has to be purchased, chemicals are required to treat both potable water and sanitary sewer before discharge, maintenance has to be done on vehicles to ensure they run, and utilities are required to operate facilities and infrastructure. Staff has cut back in areas when they could in order to help with the increases which cannot be avoided.

Budgetary Capital Improvements have been increased to \$9,557,456 or 7.91% of the annual budget. This is an increase of \$3,584,965 (59%). The city will be purchasing \$5,998,716 in rolling stock from the REVRB account. These purchases include several vehicles and mowers, an asphalt paver, 4 side load compactor trucks, a compactor for the landfill, a new rodder truck, 34 new police SUVs, and a pumper truck for the fire department. Other items to be purchased or constructed from general and enterprise fund monies are a new intake center for animal control, additional pickups for various departments, 4 new salt and sand spreaders, new flooring for the Patterson Center and an overlay for the parking lot at the HC King Gym.

All of these items are on top of the PROPEL 2019 capital projects which have been outline previously in this document. Detail information on the individual capital improvement projects is given in the FYE 2023 capital outlay section of this report.

EXECUTIVE SUMMARY

FYE 2022 found our city still dealing with the lasting effects of the COVID-19 pandemic. Unfortunately to date over 1,000,000 have lost their lives to the disease. In the preparation of a budget we must try to prognosticate what the economy will look like eighteen months from now and we do this by looking at historical costs and by using factors that allow us to predict future cost such as the Consumer Price Index (CPI) created by the Bureau of Labor Statistics.

As a part of this budget, staff is proposing rate and fee increases. This proposed increase allows the City to maintain employees that continue to provide level services across all city services, while maintaining an adequate fund balance that allows the City to continue millions in repairs which are slated for Water and Wastewater Treatment Plant work.

Preparing a budget will always have its share of challenges and unknown variables. For example, who could have predicted the increased cost that wage inflation has had on our ability to attract and retain employees? The Society for Human Resource Managers and Forbes indicate wage inflation has increase between 6.2 and 6.4 percent this past year. This coupled with near double-digit inflation and cost for goods and services doubling and tripling in some cases make predicting future cost to deliver municipal service extremely difficult.

The proposed budget for the fiscal year continues our endeavor of transparency and accountability. Our focus will always be on Vision, Mission, and we will accomplish the plan by maintaining our commitment to our top organizational priorities.

1. Transparency and accountability
2. To become the most efficient city in Oklahoma
3. Innovative municipal government operations
4. Fiscal sustainability

This municipal budget has been prepared in accordance with all city ordinances, CPI approved resolutions, and relevant policies. Moreover, the budget message provides the governing body details of the proposed Fiscal Year Budget and Financial Plan. I want to thank the directors, department heads, and staff who have contributed to the preparation of this document because if not for them, this document would not be ready for your consideration.

Respectfully submitted,

City of Lawton

City of Lawton - History

Lawton is the county seat of, Comanche County. Located in southwestern Oklahoma, approximately 87 mi (140 km) southwest of Oklahoma City, it is the principal city of the Lawton, Oklahoma, metropolitan statistical area. According to the 2010 census, Lawton's population was 96,867, making it the fifth-largest city in the state, and the largest in Western Oklahoma.

Developed on former reservation lands of the Kiowa, Comanche, and Apache Indians, Lawton was

Major General Henry Ware Lawton

founded by European Americans on 6 August 1901. It was named after Major General Henry Ware Lawton, who served in the Civil War, where he earned the Medal of Honor, and was killed in action in the Philippine–American War. Lawton's landscape is typical of the Great Plains, with flat topography and gently rolling hills, while the area north of the city is marked by the Wichita Mountains.

The city's proximity to the Fort Sill Military Reservation, formerly the base of the Apache territory before statehood, gave Lawton economic and population stability throughout the 20th century.

Although Lawton's economy is still largely dependent on Fort Sill, it has grown to encompass manufacturing, higher education, health care, and retail. The city has a council-manager government; the city council members are elected from single-member districts and the mayor is elected at-large. They hire a professional city manager to direct daily operations.

Interstate 44 and three major United States highways serve the city, while Lawton-Fort Sill Regional Airport connects Lawton by air. Recreation can be found at the city's many parks, lakes, museums, and festivals. Notable residents of the city include many musical and literary artists, as well as several professional athletes.

History

In the 16th century, Spanish explorer Francisco Vázquez de Coronado visited in 1541, beginning European contact. Around the 1700s, two tribes from the north, the Comanche and Kiowa, migrated to the Oklahoma and Texas regions.

For most of the 18th century, the French exerted nominal control over the Oklahoma region as part of their La Louisiane, or New France. The largest French settlements were along the Gulf Coast, in New Orleans, Louisiana, and Mobile, Alabama. The limited interaction between the Native American and European peoples was based on fur trading.

In 1803, the French sold this territory as Louisiana Purchase to the US, under President Thomas Jefferson. European Americans continued to migrate into the Southeast and across the Mississippi River into Indian territories, especially seeking territory to expand cotton cultivation, which was a lucrative commodity crop. They pressured the government to give them access to Indian lands. In 1830, under President Andrew Jackson, Congress passed the Indian Removal Act, which removed American Indian tribes from the Southeast and relocated them to Indian Territory west of the Mississippi River.

The southern part of this territory was originally assigned to the Choctaw and Chickasaw. Following the Civil War, during which most of the Southeast tribes had allied with the Confederacy, in 1867, the United States required new treaties of peace. In 1867, under the Medicine Lodge Treaty, it allotted the southwest portion of former Choctaw and Chickasaw lands to the Comanche, Kiowa, and Apache tribes. It had forced them to move out of East Texas and nearby areas of Arkansas.

Fort Sill was established in 1869 after the American Civil War and commanded by Major General Philip Sheridan. He was leading a campaign in Indian Territory to stop raids into Texas by American Indian tribes. In 1874, the Red River War broke out in the region when the Comanche, Kiowa, and Southern Cheyenne left their Indian Territory reservation. Attrition and skirmishes by the US Army finally forced the return of the tribes to Indian Territory in June 1875.

In 1891, the United States Congress appointed a commission to meet with the tribal leaders and come to an agreement allowing White settlement. Years of controversy and legal maneuvering ensued before President William McKinley issued a proclamation on 4 July 1901, that gave the federal government control over 2,000,000 acres (8,100 km²) of "surplus" Indian lands that remained after allotments of communal tribal lands to individual households under the Dawes Act. Under other legislation, the United States through the Dawes Commission allotted communal lands as plots to individual households of tribal members, selling off what remained as "surplus". These actions extinguished the tribal claims to communal lands, a condition needed for the admission of Oklahoma as a state in 1907.

After these changes, the legislature of the new state began to organize counties. Three 320-acre sites in Kiowa, Caddo and Comanche counties were selected for county seats. Lawton was designated as the Comanche County seat. The town was named for Major General Henry W. Lawton, a quartermaster at Fort Sill, who had taken part in the pursuit and capture of Comanche chief Geronimo.

Geronimo Grave Marker at Fort Sill, OK

The city was opened to settlement through an auction of town lots beginning on 6 August 1901, which was completed 60 days later. By 25 September 1901, the Rock Island Railroad expanded to Lawton and was soon joined by the Frisco Line. The first city elections were held 24 October 1901.

The United States' entry into World War I accelerated development at Fort Sill and Lawton. The availability of 5 million US gallons (19,000 m³) of water from Lake

Lawtonka, just north of Fort Sill, was a catalyst for the War Department to establish a major cantonment named Camp Doniphan. It was active until 1922.

Similarly, the US response in World War II stimulated activity and expansion at Fort Sill and Lawton. The city's population increased from 18,055 to 34,757 from 1940 to 1950.^[24] By the 1960s, it had reached 61,697.

In the postwar period, Lawton underwent tremendous growth during the late 1940s and 1950s, leading city officials to seek additional water sources to supplement existing water from Lake Lawtonka. In the late 1950s, the city purchased large parcels of land along East Cache Creek in northern Comanche County for the construction of a dam and man-made lake, built in 1959 on the creek just north of U.S. 277 west of Elgin. Lake Ellsworth, named for a former Lawton mayor, soft-drink bottler C.R. Ellsworth,

Comanche Chief Quannah Parker

was dedicated in the early 1960s. It offered additional water resources, but also recreational opportunities and flood control along Cache Creek.

In 1966, the Lawton City Council annexed several square miles of land on the city's east, northeast, west, and northwest borders, expanding east beyond the East Cache Creek area and west to 82nd Street. On 1 March 1964, the north section of the H. E. Bailey Turnpike was completed, connecting Lawton directly to Oklahoma City, the capital. The south section of the turnpike leading to the Texas border was completed on April 23, 1964.

Urban-renewal efforts in the 1970s transformed downtown Lawton. A number of buildings dating to the city's founding were demolished to build an enclosed shopping mall, which was believed to provide a suburban attraction for shoppers.

On June 23, 1998, the city expanded when Lawton annexed neighboring Fort Sill. The Base Realignment and Closure of 2005 resulted in reassignment of people from other bases and consolidation of some military activities at Fort Sill, increasing the number of people assigned there and its scope of activities. Lawton expects a continuing benefit if population and economic growth over the course of the next 20 years.

Economy and workforce

Comanche County Memorial Hospital

Lawton is primarily centered on government, manufacturing, and retail trade industries. The Lawton MSA ranks fourth in Oklahoma with a gross domestic product of \$4.2 billion produced in 2008, with a majority (\$2.1 billion) in the government sector, primarily associated with the military.

Fort Sill is the largest employer in Lawton, with more than 5,000 full-time employees. In the private sector, the largest employer is Goodyear Tire and Rubber Company with 2,400 full-time employees. Some major employers in the Lawton area also include Lawton Public Schools, Comanche County Memorial

Hospital, Southwestern Hospital, City of Lawton, Cameron University, and Bar S Foods.

Lawton has developed two major industrial parks. One is in the southwest region of town, while the second is located near the Lawton-Fort Sill Regional Airport. The Blue Canyon Wind Farm, consisting of four development phases generating about 423.45 megawatts of electrical power, is about 27 miles north-northwest of town.

In 2010 the city of Lawton was engaged in the Downtown Revitalization Project. Its goal is to redesign the areas between Elmer Thomas Park at the north through Central Mall to the south to be more visually appealing and pedestrian-friendly to encourage business growth in the area.

Lawton had 35,374 employed civilians as of the 2010 Census, and 49.1% were female. Of the civilian workers, 21,842 (61.7%) were private for-profit wage and salary workers. Of the for-profit wage and salary workers, 659 (1.9% of the total Lawton civilian workforce) were employees of their own corporations. The nonprofit sector had 2,571 (7.3%) private nonprofit wage and salary workers. The government sector included 4,713 (13.3%) federal workers, 2,545 (7.2%) state government workers, and 2,160 (6.1%) local government workers. In addition, the city had 1,634 (4.6%) self-employed workers and unpaid family workers.

Arts and culture

Events and festivals

Arts For All Festival

Lawton is home to many annual attractions, including the *Prince of Peace* Easter passion play held in the Holy City in the Wichita Mountains Wildlife Refuge each year on Palm Sunday, continuing to Easter Eve. It continues to be one of the longest-running Easter passion plays in the nation.

In May, Lawton Arts for All, Inc hosts the Arts for All Festival. The festival includes several judged art competitions, as well as live entertainment. The festival is typically held at Shepler Park. In late September, The International Festival is held in the city. Founded in 1979, the event showcases the many different cultures, arts, and music of the community.

Museums

Lawton has three public museums. The Museum of the Great Plains is dedicated to natural history and early settlement of the Great Plains, particularly by European Americans.¹ Outdoor exhibits include a replica of the Red River Trading Post, the original Blue Beaver schoolhouse, and Elgin Train Depot with a Frisco locomotive.

The Fort Sill Museum, located on the military base of the same name, includes the old Fort Sill corral and several period buildings, including the old post guardhouse, chapel, and barracks. It also features several artillery pieces. The old fort is designated as a National Historic Landmark.

The Comanche National Museum and Cultural Center, operated by the Comanche Nation Tribe, focuses on exhibits and art relating to the Comanche culture. The museum also hosts traveling American Indian exhibitions from the Smithsonian Institution, Michigan State University Museum, and Chicago's Field Museum.

Parks and recreation

Lawton operates 80 parks and recreation areas in varying sizes, including the largest - Elmer Thomas Park. Along with the park system, the city is near three major lakes, Lake Lawtonka, Lake Ellsworth, and Elmer Thomas Lake, where boating, swimming, camping, and fishing are permitted.

Elmer Thomas Park

The Lawton branch of the YMCA offers a wide variety of recreational programs to members, and the Lawton Country Club maintains an 18-hole, par 71 golf course. Recreation can also be found in many amateur leagues, including adult softball, youth baseball, soccer, softball, and volleyball

Northwest of the city is the Wichita Mountains Wildlife Refuge, managed by the US Fish and Wildlife Service to preserve the natural fauna of

southwest Oklahoma. The refuge includes a visitor center, several camping areas, hiking trails, and many lakes for the public to explore.

Government

Lawton uses the council–manager model of municipal government. The city's primary authority resides in the city council, which approves ordinances, resolutions, and contracts. The city is divided into eight wards, or single-member districts. Each ward elects a single city council representative for a three-year term. The mayor, who is elected at-large every three years, presides and sets the agenda of the City Council. The administrative day-to-day operation of the city is headed by the City Manager, who is appointed by the City Council. As of January 2022, the mayor of Lawton was Stan Booker. As of January 2022, the city manager was Michael Cleghorn.

Lawton is the county seat of Comanche County, and houses county offices and courts. Three elected commissioners serving four-year terms manage the county government.

At the federal level, Lawton lies in Oklahoma's 4th congressional district, represented by Tom Cole. In the state senate, Lawton is in District 31 (Chris Kidd) and 32 (John Michael Montgomery). In the House, District 62 (Daniel Pae), 63 (Trey Caldwell), and 64 (Rande Worthen) cover the city.

Education

Higher education

Cameron University is the largest four-year, state-funded university in southwest Oklahoma, offering more than 50 degree programs in areas of business, education, liberal arts, and science and technology. Founded in 1909, Cameron has an average fall enrollment of 6,000 students, with 70 endowed faculty positions.^[92] Other colleges in Lawton include Comanche Nation College. Founded in 2004, the college provides lower-division programs and educational opportunities in higher education for the Comanche Nation and the public.

Lawton is also served by the Great Plains Technology Center, which is part of the Oklahoma Department of Career and Technology Education system. Great Plains provides occupational education, training, and development opportunities to area residents.

Primary and secondary schools

Lawton Public Schools serve most of the city of Lawton. The district operates two prekindergarten centers, 24 elementary schools, four middle schools, and three high schools – Eisenhower, Lawton, and MacArthur. In 2008, Lawton Public Schools had an enrollment of about 16,000 students with about 1,000 teachers. Two independent districts, Bishop and Flower Mound, serve portions of Lawton. Bishop operates a single pre-K–6 elementary campus and Flower Mound has a pre-K–8 campus. Secondary students living in these districts attend Lawton Public Schools. A small portion of far-west Lawton is served by Cache Public Schools.

Other schools in Lawton include St. Mary's Catholic School, which has both elementary and middle schools. St. Mary's has served the greater Lawton area and the Fort Sill community for over 100 years and offers accredited Catholic education for grades pre-K through eighth grade. Trinity Christian Academy, Lawton Academy of Arts & Science, and Lawton Christian School are three other private schools. Trinity Christian Academy offers classes from K–3 through the eighth grade. Lawton Academy of Arts and Sciences and Lawton Christian has the city's only two private independent high schools. Lawton Christian, founded in 1976, offers education from prekindergarten through the 12th grade, and has a student body of 426 students.

Infrastructure

Transportation

Lawton is primarily served by Interstate 44, designated as the H. E. Bailey Turnpike. It connects the city to Oklahoma City to the northeast and to Wichita Falls, Texas, to the south. The city is also connected by US Highway 62, which connects to the regional towns of Altus to the west and Anadarko to the north. Other major thoroughfares include US Highway 277 and 281, which parallels the H. E. Bailey Turnpike to Wichita Falls to the south and leads to regional towns of Anadarko and Chickasha, respectively, to the north, and OK-7, which connects Lawton to Duncan.

Lawton Area Transit System (LATS) provides public transit for both Lawton and Fort Sill. Founded in 2002, LATS had a ridership of 427,088 in 2009, and provides five major routes throughout the city.

By air, Lawton is served by the Lawton-Fort Sill Regional Airport (LAW, KLaw). At present, it offers daily American Eagle flights to Dallas/Fort Worth International Airport and is also used for military transport.

Health care

Lawton has three major hospitals in the area. The largest, Comanche County Memorial Hospital, is a 283-bed nonprofit hospital that employs 250 physicians. Southwestern Medical Center is a 199-bed hospital with a staff of 150 physicians. In addition, the U.S. Public Health Lawton Indian Hospital is located in the city to provide health services for the large American Indian population. It has 26 beds with a staff of 23 physicians.

POLICE

DIVISION: POLICE TECHNICAL SERVICES

ACTIVITY NO. 7004

FUNCTION

THE TECHNICAL SERVICES DIVISION IS RESPONSIBLE FOR THE OVERALL OPERATIONS OF THE CITY OF LAWTON CORRECTIONAL FACILITY, RECORDS SECTION, PROPERTY AND IDENTIFICATION, STATION MAINTENANCE, AND BUILDING SECURITY.

COMMENTS

DURING FY2020-21, THE DEPARTMENT MADE THE TRANSITION INTO THE NEW PUBLIC SAFETY FACILITY. AS THE TECHNICAL SERVICES DIVISION IS THE HEART WITHIN THE DEPARTMENT, THE MAJORITY OF THE MOVE AFFECTED THIS DIVISION. THE CORRECTIONAL FACILITY TRANSITIONED FROM A MANUALLY OPERATED FACILITY TO ONE THAT IS UP-TO-DATE. THE STAFFING INCREASED AS WELL AS THE MAXIMUM CAPACITY OF INMATES.

THE RECORDS SECTION, COMPRISED OF THE RECORDS MANAGER AND DEPARTMENT CLERICAL STAFF, WILL ALSO TRANSITION INTO NEW SPACE. THEY WILL MAINTAIN THE CURRENT STAFFING LEVEL BUT THROUGH THE SAME UPGRADE TECHNOLOGY THAT THE UNIFORM DIVISION WENT THROUGH, THE TECHNICAL SERVICES DIVISION IS ALSO MAKING A TRANSITION WITH TYLER TECHNOLOGIES.

DIVISION: POLICE TRAINING

ACTIVITY NO. 7005

FUNCTION

THE TRAINING DIVISION IS RESPONSIBLE FOR ALL ASPECTS OF TRAINING AND EDUCATION OF DEPARTMENTAL PERSONNEL AS IT RELATES TO THEIR GENERAL AND SPECIALIZED DUTIES AND RESPONSIBILITIES. THIS INCLUDES, BUT IS NOT LIMITED TO, EACH OFFICER'S ANNUAL CLEET MANDATED CERTIFICATION, FIREARMS REQUALIFICATION, AND EMERGENCY VEHICLE OPERATION TRAINING. THE DIVISION IS ALSO TASKED WITH MAINTAINING THE TRAINING RECORDS OF ALL DEPARTMENT PERSONNEL.

THIS DIVISION IS RESPONSIBLE FOR THE PROCESSING OF POLICE APPLICANTS FROM THE INITIAL BACKGROUND AND TESTING TO THE HIRING AND TRAINING. THEY ARE RESPONSIBLE FOR OPERATING THE DEPARTMENT'S OWN OKLAHOMA STATE CERTIFIED CLEET ACADEMY. THEY ARE ALSO AUTHORIZED TO TRAIN THOSE LAW ENFORCEMENT AGENCIES WHOSE COUNTY BORDERS COMANCHE COUNTY.

THIS DIVISION IS ALSO RESPONSIBLE FOR THE TRAINING PRESENTED TO THE LAWTON-FORT SILL AND SURROUNDING COMMUNITY AS IT RELATES TO LAW ENFORCEMENT FUNCTIONS THROUGH MONTHLY IN-SERVICE TRAININGS.

COMMENTS

ACCOUNT 51000 (SUPPLIES, TOOLS, AND EQUIPMENT) IS PRIMARILY USED TO FUND THE PURCHASE OF VARIOUS AMMUNITION USED BY THE OFFICERS. THE REMAINDER OF THE ACCOUNT IS USED TO PURCHASE THE SUPPLIES, ETC. TO OPERATE THE TRAINING OFFICE, OUTDOOR PISTOL RANGE, AND DEPARTMENT'S CLEET ACADEMIES.

ACCOUNT 51025 (CONTRACTURAL MAINTENANCE) PROVIDES THE FUNDING FOR THE MAINTENANCE CONTRACT ON THE DEPARTMENT'S INDOOR MILO SHOOTING RANGE SYSTEM. THIS IS A 3-YEAR CONTRACT WHICH PROVIDES SERVICE MAINTENANCE THROUGHOUT THE CONTRACT PERIOD AND A COMPLETE REPLACEMENT/UPDATE OF THE SYSTEM PRIOR TO THE END OF THE CONTRACT PERIOD.

DIVISION: FIRE PREVENTION

ACTIVITY NO. 7502

FUNCTION

COMMENTS

THE PRIMARY MISSION OF THE LAWTON FIRE DEPARTMENT'S FIRE PREVENTION DIVISION IS TO ENSURE THE SAFETY OF THE CITIZENS OF LAWTON BY PREVENTING FIRES AND ASSOCIATED HAZARDOUS CONDITIONS. TO ACCOMPLISH THIS, FIRE PREVENTION PERSONNEL CONDUCT FIRE ORIGIN AND CAUSE INVESTIGATIONS, FIRE AND LIFE SAFETY INSPECTIONS, CODE ENFORCEMENT INSPECTIONS, BUILDING PLAN REVIEWS, PUBLIC EDUCATION PROGRAMS, AND CRIMINAL INVESTIGATIONS INVOLVING POTENTIAL ARSON CRIMES AND ASSIST WITH THE PROSECUTION OF SUCH CRIMES. OTHER RESPONSIBILITIES INCLUDE ATTAINING AND MAINTAINING CLEET CERTIFICATION AS PEACE OFFICERS IN THE STATE OF OKLAHOMA; MAINTAINING REQUIRED STATE AND NATIONAL FIRE RECORDS, COORDINATING WITH OTHER DEPARTMENTS WITHIN THE CITY OF LAWTON TO OVERSEE THE CITY'S WATER DISTRIBUTION SYSTEM AS IT RELATES TO FIRE PROTECTION NEEDS; WORKING WITH THE FIRE CHIEF IN THE DEVELOPMENT OF DEPARTMENT AND CITY POLICIES AND PROCEDURES TO IMPROVE OVERALL PUBLIC SAFETY, AS WELL AS VARIOUS OTHER DUTIES. ADDITIONALLY, THIS DIVISION IS INVOLVED IN ASSISTING WITH FIRE DEPARTMENT RECRUITMENT EFFORTS, AND IN THE DEVELOPMENT OF PLANS AND GOALS, BOTH LONG AND SHORT RANGE, FOR THE LAWTON FIRE DEPARTMENT.

APPENDIX

GLOSSARY OF GENERAL AND ENTERPRISE FUNDS REVENUE ACCOUNTS

CITY SALES TAX: The City of Lawton sales tax levy is .04125 percent of the gross receipts from the sales or rental of tangible personal property and from the furnishings of services of this amount, .02125 percent is set aside to fund the 2019 Sales Tax Capital Improvement Fund.

CITY USE TAX: The City of Lawton Use Tax is .04125 percent of the gross receipts from the storage use or consumption of all property purchased or brought into the city from outside the state. The tax is a form of excise tax which compensates for the fact that the city would not receive Sales Tax from personal property purchased out-of-state and brought into Oklahoma for use. If city sales tax is reduced or increased, its Use Tax will change in the same amount.

FRANCHISE AND ORDINANCE TAX: American Electric Power and Summit Utilities remit two percent of gross cash receipts and Fidelity Communications remits five percent of gross service charges after deducting taxes. Payment is remitted monthly.

ALCOHOLIC BEVERAGE TAX: Excise taxes are levied at the wholesale level and are collected by the Oklahoma Tax Commission. The OTC retains three percent for operation. One-third of the remaining 97 percent is distributed to the counties on the basis of area population. Counties in turn redistribute to cities on the basis of population.

WATER (TRANSFER FROM TRUST) – AN ENTERPRISE FUND: Current water rates are established in Appendix A of the City Code.

OTHER WATER REVENUE – AN ENTERPRISE FUND: Includes penalty for late payment (10 percent of current utility bill); service restoration charge after payment of delinquent bill – (\$25.00); administrative charge for insufficient check – (\$25.00).

WASTEWATER EFFLUENT – AN ENTERPRISE FUND: American Electric Power has contracted to purchase an average of 3,500,000 gallons per day of sewage treatment plant effluent at \$.075 per 1,000 gallons.

SEWER SERVICE CHARGE – AN ENTERPRISE FUND: Current sewer service charges are established in Appendix A of the City Code.

REFUSE DISPOSAL FEES – AN ENTERPRISE FUND: Current refuse collection charges are established in Appendix A of the City Code.

GLOSSARY OF EXPENDITURE ACCOUNTS

50000 SALARIES & WAGES: All base wages paid to full time permanent employees. In the Fire Department, the salaries and wages account includes Premium Pay for scheduled overtime in addition to base wages. In the Police Department, the salaries and wages account includes Master Officer Incentive and Detective pay in addition to base wages.

50005 DIFFERENTIAL/STANDBY PAY: Payment of wages to employees in excess of normal pay for temporarily working in a higher classification. Includes pay for split and/or night shifts, standby, etc.

The Fire Marshals are paid standby when required to be available during off duty hours. The rate is \$500.00 bi-weekly.

The Chief of Police or his/her designee determines the need for working out of class. A Police Officer who performs the duties of a position one level above his position for an entire shift is paid at a rate 10% over the normal salary.

Night work pay differential for General Employees and Police Officers is paid for work shifts occurring 50% or more after 5:00 P.M. and before 5:00 A.M. The premium rate is 5% over the normal salary.

Standby pay differential of 10% over an employee's regular salary is paid to General Employees who are on call during non-duty time around-the-clock, including weekends and holidays.

50010 SICK LEAVE-PAY IN LIEU: Compensation to cover unused sick leave for Fire and Police employees. Sick leave for Fire Fighters accrues at the rate of 96 hours per year for staff employees and 144 hours per year for shift employees. Payment is made annually for all hours accumulated over 576 hours for staff employees and 864 hours for shift employees. Excess sick leave is paid at the employee's hourly rate of pay. Upon voluntary resignation, unused sick leave is redeemed by the City at the following rates; Accumulated hours between 0-192 for staff employees and 0-288 for shift employees are redeemed at 25%, accumulated hours between 193 -384 for the staff employees and 289-576 for shift employees are redeemed at 50% of the employees current hourly rate, accumulated hours between 385-576 for staff employees and 577-864 for shift employees are redeemed at 75% of the employee's current hourly rate, and all accumulated hours in excess of 576 hours for staff and 864 hours for shift employees are redeemed at 100% of the employees current hourly rate. Upon retirement of a firefighter, all unused sick leave accumulated from 0-576 hours for staff and 0-864 hours for shift employees is redeemed at 75% of the employee's current hourly rate. All hours in excess of those amounts are redeemed at 100% of the employee's current hourly rate of pay.

Sick Leave for Police Officers accrues at the rate of 96 hours per year. An officer is paid annually for all unused sick leave accumulated in excess of 576 hours. Upon resignation, an officer's sick pay hours are redeemed at the rate of 2 ½% of his hourly rate of pay for each full year of service. Upon retirement, all sick hours are redeemed at 75% of the current hourly rate of pay.

General employees accrue sick leave at the rate of 96 hours per year. Employees who resign will be compensated for all accrued sick leave as follows: The number of sick leave hours will be multiplied 2 ½% times the total number of full years of service for the employee times the current hourly rate of pay. Employees who are terminated shall receive no compensation for accrued sick leave benefits. General employees who are eligible for retirement may choose to use their accrued vacation, flexible and historical sick leave hours as terminal leave. The employee must provide a request for terminal leave not less than 30 days from the date the terminal leave is to begin. All vacation and flexible leave hours must be used before historical sick leave hours can be taken. Employees in terminal leave status will continue to be paid through the payroll system for a maximum of 80 hours per pay period with no additional accruals. Benefits will be continued until the established retirement date.

50015 CONTRACT LABOR: Contract employees who are directly employed by the City. This includes: 1. Contract employees who are provided by an outside firm and are directly supervised by the City through a temporary service agency; and 2. Contract employees who provide services to the City on a job basis - e.g. gymnasium custodians and sports officials.

50020 PART TIME: Payment of wages to employees not permanent or full-time. This will include only those employees who are paid through the payroll system on a part-time basis - e.g. lifeguards.

50025 OVERTIME: Compensation paid for hours worked in excess of 40 hours in one week or in accordance with contractual definitions contained in the bargaining agreements that meet FLSA regulations.

50030 HOLIDAY PAY: Payments to employees for working on holidays. The Fire Union elected to receive additional compensation in the form of base wages in lieu of holiday pay in 1989-90 agreement and subsequent agreements.

Shift employees receive four "floating" holidays, which if unused are compensated for annually.

Police officers accrue holiday leave for 11 specified holidays annually. All officers with accrued unused holiday leave are paid for that leave at the officer's hourly rate of pay annually.

General employees receive 13 holidays per year unless Christmas Eve falls on the weekend. The holidays consist of 8 "fixed" or mandatory holidays and 5 "flexible" holidays. Employees designated as shift employees and those employees who it is determined are unable to take their flexible holidays are paid for those holidays in the period in which it occurs.
